Volume 36 Number 8

September 2022

## Presidential Words *For September 2022*

I would normally start my report with a summary of what has been a busy month. Unfortunately, there is another matter which I need to address first.

A battery-operated Makita drill kit and a box of router bits with ½ inch shanks have disappeared from the downstairs workshop. When first noticed, it was hoped that the items had either been misplaced or had been borrowed without permission. However, as a thorough search of the building (downstairs and upstairs) has failed to find them and as they have not been returned in the intervening period, the only conclusion now available is that we have a thief in our midst.

Everything we have at Pine Street is due to the fundraising efforts of past and current members and it is a low act for a member to steal from fellow members. It is now going to cost the club, aka the membership, some \$700 to replace the stolen items. I am at a loss to find the words (or at least words that can be put in print) to describe what I think of the person responsible.

No questions will be asked if the tools mysteriously reappear.

Now, to move on to more pleasant topics:

### **Mt Coot-tha Exhibition**

The weekend was quieter than we had hoped, perhaps a sign of the economic times. Nevertheless, there was a steady stream of visitors, and the event was still a success. Members received \$8,100 for their sales, WSQ made a profit of \$3,600, several new memberships have been finalised, or are pending, and favourable publicity was generated.

### **Competition**

This year's competition finished with the Awards morning on Saturday 13 August. Once again, it was a successful competition and congratulations to all who entered. Thanks to our Patron, Ian McKenzie, who presented the certificates and trophies. There is a separate wrap up of the Competition later in Turning Talk.

### **Bunnings Sausage Sizzle**

Sunday 14 August saw us at Bunnings Mt Gravatt for another sausage sizzle. Another successful day which generated a profit of \$1,200.

### **Craft Market**

We participated in the inaugural QUT Sustainability Week market on Tuesday 23 August. Our items on display generated a lot of interest and sales for WSQ.

### **Bunnings Demonstration**

Finally, on Saturday 27 August, we participated in the Bunnings Fathers' Day Drill and Grill event, where we did woodturning demonstrations and had some items on display.

All these external events helped us to promote and expand our presence in the community.

Thanks to everyone who volunteered their time to organise and assist with the above events. Without your valuable contribution we wouldn't be able to do a lot of these events. Whilst on this topic, it's

disappointing that we still see the same small group of members willing to volunteer. An hour or two once or twice a year, would make an enormous difference and relieve the pressure on “the few”.

### Positions Filled

On the subject of volunteering, two of our vacant positions have recently been filled. Murray Ralph has taken on the Social Media position and George Wolf will be our Safety Officer. Thank you, Murray and Ralph; I look forward to your contribution and hope that you both find the roles enjoyable.

### Grants

During the month, we received the good news that two of our grant applications were successful:

Gaming Community Benefit Fund	\$25,674	New panel saw, woodturning chisels, defibrillators and first aid kits
-------------------------------	----------	---

National Shed Development Programme	\$3,933	First Aid training and Safety Equipment
-------------------------------------	---------	---

The Management Committee has decided to spend another \$8,000 to upgrade the panel saw to a “combo” unit which will also include a thicknesser and planer/jointer. The main benefit of this will be the freeing up of workshop space, thereby creating a safer environment.

Thanks to the grants team lead by John Carney for their efforts in obtaining these grants.

### Competition Review

Following each year’s Competition, a review is undertaken which looks at operational issues such as “what went well”, “what didn’t”, “what could be done better” etc. This year, the review will go further and look at the Competition’s structure. To assist with the review, we are seeking your feedback via the questionnaire which is attached to Turning Talk.

Please take the time to complete the survey. Woodturning, woodworking and related crafts are continually evolving, and your invaluable feedback will help ensure that our Competition remains relevant.

### Special General Meeting

Our SGM will be held on Tuesday 15 November at 9.30am. The primary purpose of the SGM is to elect our Management Committee for 2023. The formal notice and details of the committee positions will be published in next month’s Turning Talk, but in the meantime, please consider nominating for a committee role. At the moment, there are two vacancies which will need to be filled. Firstly, Mallick has decided to step down as Treasurer. Secondly, after having first taken a committee role in 2015, it’s time for me to take a step back and I will not be nominating for President.

Also, at the SGM, we will be presenting the “Member of the Year” Award. The award is to a member (excluding committee and life members) who has consistently led by example in supporting the vision and goals of the Society throughout the year. The award is a “Captain’s Pick” but as I don’t claim infallibility, I will appreciate any suggestions you have for a worthy recipient.

Until next month,

**John Reed**  
*President*

## Secretary’s Jottings

### Meeting held on Saturday, 13 August.

1. Apologies were received from Phil Oostenbroek, Alwyn Clark and Mallick Ramlackhan.
2. George Wolf was appointed Safety Officer and will attend Committee meetings.
3. Harold Wiltshire was invited to the meeting to speak about the new Combination Table Saw that will be purchased with the Grant from the Gambling Community Benefit Fund and funds contributed by WSQ.
4. Mike Dunne pointed out that we were still awaiting the outcome of the Grant application to the Men’s Shed organization.

5. Mike Dunne reported on his attendance at the networking function hosted by Joe Kelly and gave details of the connections made with local community organisations like the Women's Health and Equity Group, Institute of Culinary Excellence and the Westfield Care for Kids.
6. There were 9 Applications for Membership that were accepted: Holly Smith, Dominick Clancy, Thomas Hooper, Tim Atkinson, Peter Faulkner, Anthony Zandvliet, Navid Awni, Sue Brown and Jordan Blair.
7. The date of the SGM was set for 15 November.
8. A review of all aspects of the Competition will be conducted.
9. The Mt Coot-tha Exhibition was very successful with approximately \$3,550 added to WSQ's coffers.
10. WSQ has accepted the invitation from Bunnings Wecker Rd Mt Gravatt to demonstrate turning and man a stall at their Drill & Grill initiative in the lead up to Father's Day.
11. Reg Weber reported that the Accreditation Process was progressing, and Convenors were being consulted for assistance with the process. Neil Howard, a visitor at the meeting, reported that there was an extensive range of coloured dots available for affixing to name badges.
12. An electrical audit is to be carried out on Monday 15 August. We are still awaiting the outcome and report of the Fire Audit previously carried out.
13. The Hoop Pine, currently in the car park, will be cut into manageable pieces by Bob McGeechan.
14. Neil Howard was requested to make a sign to be used to restrict public access to the Car Park when we have a function.
15. The issue of the phones at Pine St was discussed, noting that the current handsets are not functioning. John Reed will see to changing the handsets.
16. Reg Weber reported that after consultation with Peacocks he is convinced that the blades currently used in the Felder are the most appropriate available. He reported that \$1,130 was spent on replacing and sharpening the Felder blades in 2021 and a similar cost is likely in 2022. This figure was well in excess of the \$470 spent in 2020. There will be further consultation with Convenors on the types and volume of timber being put through the Felder.

The meeting closed at 1.30pm.

## Date Claimers

### for Demonstrations and Show & Tell Forums

Our Demonstrations on the first Saturday morning of each month are an excellent way to learn new skills and ideas from our talented demonstrators. You will have the opportunity to ask questions of our demonstrators and see a project evolve before your very eyes.

The Show & Tell Forum on the third Saturday morning of each month are designed to give you a couple of weeks to have a go at the project demonstrated the fortnight before and bring your complete or incomplete attempt to receive feedback on your efforts. This is a fabulous learning opportunity, particularly for relatively new members and those wishing to further develop their mastery of skills and techniques.

***Please note that the previously advertised demonstration of thread-chasing by Ken Rays will now take place on Saturday 1 October. John Carney will demonstrate his 3 cornered bowl on 3 September.***

Date	Demonstration	Show & Tell Forum
<b>3 September</b>	<b>3 Cornered Bowl with a twist</b> John Carney will demonstrate the turning of a 3 Cornered bowl with a twist. He has been diligently working on 3 cornered bowls at Pine St on a Tuesday and has lots of pointers to pass on about the skills and techniques involved.  <b>Join Zoom Meeting</b> <a href="https://us02web.zoom.us/j/87874958421?pwd=Y1JYVUJhNXVWQjlQWUg5ZUN6a2xDdz09">https://us02web.zoom.us/j/87874958421?pwd=Y1JYVUJhNXVWQjlQWUg5ZUN6a2xDdz09</a> Meeting ID: 878 7495 8421 Passcode: 188272 9 am Start	
<b>18 September</b>		Bring along any 3 cornered bowls you have attempted or any other project, new tools, or questions you might have.  It is always an interesting morning and a perfect opportunity to gain new insights on a range of topics from experienced members and problem solve issues you may be having.
<b>1 October</b>	<b>Thread chasing</b> Ken Rays will demonstrate the skill and techniques of thread-chasing. This should prove to be a popular and interesting demonstration. Though originally a member of WSQ, Ken is a member of the Redcliffe and District Woodcrafters, so he will be travelling from the Peninsula area to Pine St for this demonstration.	
<b>15 October</b>		Bring along your thread chasing efforts, assuming you have the necessary equipment at home, or any other project you have been busy with.
<b>5 November</b>	<b>Inside out turning</b> Steve Schuhmacher from Bayside will demonstrate inside out turning.	
<b>19 November</b>		A perfect opportunity to bring along any of your turning efforts, particularly if you have had a go at inside out turning following Steve's demonstration. The conversations generated at these mornings are always interesting and informative and there are always bits and pieces to pick up and add to your skill set.
<b>4 December</b>	<b>All things Christmas</b> Ian Symes will delve into his Santa sack of Christmas themed turnings to get you into the spirit of Christmas.	
<b>4 February, 2023</b>	<b>Wavy edged bowl</b> Dan Woodward will start off the 2023 demonstrations with a wavy edged bowl

## WSQ 2022 Competition

Well, the 2022 Competition has been held, the results in and the awards and trophy winners announced. And what a great competition it was.

The standard of the entries across 16 categories exceeded expectations. The comments by all the judges at the conclusion of judging on the 13 August, was that they were very impressed by the high standard of all the entries.

Here are photographs of some of the pieces entered in the Competition and of the presentation of awards and trophies held at Pine Street on Saturday 30 July. Thanks go to our Patron, Mr. Ian McKenzie for his support in presenting the awards and trophies.

Don McMillan Receives the Ray Hall Trophy  
From Ian McKenzie

The judges' comments were supported by many of the comments from visitors to our exhibition at Mt. Coot-tha on the weekend of the 6 and 7 August.

The coveted perpetual trophies were won by:

### **The Vicmarc Machinery Encouragement Trophy**

Item with highest points in Level 3): **Neil Howard** (670 points)

### **Max Morris Shield**

Item with highest points in Level 1 or 2: **Gary Bidgood** (740 points)

### **Mario Luigi Calligaris (Ma.Lu.Ca.) Award**

Highest aggregate score in Level 1: **Paul Machin-Everill** (3245 points)

### **Ben Flack Memorial Trophy**

Highest score for item with other work: **Don McMillan** (735 points)

### **Ray Hall Memorial Trophy**

Entry showing the greatest innovation in any facet of woodturning: **Don McMillan** (735 points)

**The People's Choice Award** was determined by voting at the display of the 30 highest scoring pieces at the Mt Coot-tha Exhibition on 6 & 7 August. A total of 211 votes were cast, and the winner with 30 votes was **Don McMillan** with his wall plaque with basket weave illusion (Item L6). Runners up were Rob McGregor's olive bowl with carved rim with 20 votes, Mick Phythian's 'Black Hole' sculptural piece (19 votes), and Lee Wilson's Flower Sculpture with 18 votes.

A listing of all the awardees in the competition is provided below.

Our sincere congratulations go to all winners. Special mention is made of Don McMillan's achievement of winning two trophies in the Competition, and he also won the People Choice Award. Well done, Don.

We also acknowledge all entrants in the Competition. As has been said, the standard of entries was exceptional. Through their participation in the competition and the comments they have received from our team of experienced judges on their entries, entrants will benefit in their personal development in the craft.

As the Competition Convenor, I would like to thank sincerely all those members who provided invaluable assistance in the conduct of the Competition. There are too many to mention individually but it would be remiss not to thank the support provided by Brian Creese, Ian Symes and our President John Reed. I would also like to thank Barry Wilson for making the miniature stands for the winners of the perpetual trophies, and also to John Donaldson who produced a beautiful piece of turning (a pot porri bowl) which John Reed presented to Ian McKenzie on the presentation day. Thank you one and all.

## Mt Coot-tha Exhibition Raffle

Many thanks to all the people involved in our Mt Coot-tha Exhibition weekend.

Congratulations to all the prize winners. \*

Special thanks to Stephen for his work on the raffle table.

A BIG THANK YOU to those who provided the prizes:

- Dan Woodward for 2 prizes
- Mick Phythian
- Alan Loxton
- Gary Bidgood and

- Bunnings (gift vouchers).

almost 200 years.

## *Robert Sorby*

As one of the world's premier manufacturers of specialist woodworking tools, we are proud to say we still craft every tool right here in Sheffield, England. Our tools are made from the finest raw materials, using traditional methods and with an attention to detail you won't find anywhere else.

Each tool is meticulously processed in stages by our craftspeople. Every single tool is cut, ground, polished, hardness tested, sharpened, assembled

and packed for shipping – ultimately crafted to provide a lifetime of use in your workshop.

With an extensive range of unique, premium tools, backed by our lifetime warranty, you need look no further for the best tools you can buy. It's our attention to detail and customer first approach that puts Robert Sorby at the top of its class. You can rely on our experience – we know tools.
